ACTIVITIES

I spend a large amount of my free time exploring the latest technology advancements in the full-stack web development world. Apart from being a Web Developer, I enjoy most of my time being outdoors. I enjoy observing the wonders of creation. I am a good reader, I enjoy cycling. When forced indoors, I follow a number of movies and television shows including documentations, such as National Geo Wild, How It's Made and lot's more. I am an aspiring chef.
